

## Terms of use

All speaker constructions (designs) found in my website are my intellectual property and falls under intellectual property rights.

The constructions and the speakers being built based on my constructions are meant for private home use only.

All my speaker constructions may **not** be used for commercial exploitation, without my written consent.

The definitions of commercial exploitation are, but not limited to:

- Selling my constructions as DIY speaker kits.
- Selling my constructions as completed commercial speakers.
- Publishing any of my construction materials, hereunder photos, drawings, schematics, and text.

Currently all constructions and materials are proprietary and approved for commercial exploitation for the following parties only:

- Troels Gravesen / TG audio
- Jantzen Audio
